Who we are?

## THIS IS WHO WE ARE

We are a Argentinean company integrated by professionals with more than forty years of experience in the office furniture market.

Our purpose is to achieve innovation and solutions for our costumers needs following the best trends in the international market in workspace solutions.

Our three objectives are:

1. Create spaces that favor the worker's sense of belonging towards the company and generate solid links between people.
2. Respect limits of autonomy and freedom to defend spaces of personal and individual concentration.
3. Establish environments to promote creativity and respect time of relaxation to deal with stressors in the day to day.
